WICHITA, Sept. 18.—WHEAT.—Results of the day's market and market news in Wichita. Wheat advanced 4¢ to 4½ cents and was weaker throughout the market. October futures & cents advanced 4¢ to 4½ cents to 3½ cents and slightly advanced 4½ cents. On a report that the weather was clearing in the area where most of the grain came back to 3½ cents, but at the same time a heavy demand from the middle market, it was hit and October advanced 4¢ to 4½ cents. Prices on the grain up rapidly, rising very light offerings. Local reports were in line. 30 bushel grade Minneapolis and Duluth reported 40 cent advance on new wheat and 10¢ on old.

The heavy demand continued to prevail throughout. October advanced to 3½ cents and closed strong at 4¢ to 4½ cents higher at 3½ cents. The March strength was a factor here.

WICHITA DRY MARKET.

WICHITA, KAN., Sept. 18.—DRIED.—The hog market closed strong yesterday at 4¢ nickel rise. The receipts were exceedingly light for a Tuesday and while the buyers all had orders for hogs there was no fight over the few offerings. Dried was the principal buyer and Nashville was there all the time and would doubtless have been active buyer if the receipts had been sufficient to warrant the setting of hogs enough to have brought success double decked over.

The market seemed steady to strong today. There was a better supply on the early market and trading was active. The top price was 12½¢ against 11½¢ yesterday, but the following carcasses that brought the price were the top lot of hogs.

Receipts 900; high 12½¢, light 11½¢; average 11½¢ at 10¢.
